# Ideas and Proposals: 2015 projects

Here's the projects we're currently developing:

- **SweepAware** – get alerted when streetsweeping happens in your neighborhood
- **SD Playgrounds & Parks** – locate parks and features throughout the city
- **Open DSD Notifications** – monitor development projects in your neighborhood

See our full list of projects and repositories on [GitHub](#).

Got an idea? [Share your idea](#), come to our meetings if you can to help us understand your idea better and the group might just pick it as one of our next projects.
